Erie DAWN

Who we are:

Founded in 1995 as a shared ministry of the Benedictine Sisters of Erie, Sisters of Mercy and the Sisters of St. Joseph, Erie DAWN addresses the underlying root causes of homelessness by working with women to build assets-both tangible and intangible-for their future. Our goal is to provide homeless women and their children with a home while giving them the supports, resources, and tools they need to achieve economic self-sufficiency and permanent housing.

What we do:

- Assist families to secure and maintain permanent housing.
- Work with families to identify obstacles that hinder them from remaining in permanent housing.
- Promote a Culture of Health and Wellness that includes health, housing and economic stability that allows a family to thrive not just survive.

Why it works:

Housing is the first step on the road to self-sufficiency. Through relationships with landlords, mentors, volunteers, and various agencies the families receive support, resources, and tools they need to achieve economic self-sufficiency and permanent housing.
